# ID Tesol Learn how to teach

**ID TESOL** - the International Diploma in Teaching English to Speakers of Other Languages.

The course is designed to prepare International Students for the IHC in TESL but is also an excellent introductory course for non native English speakers wishing to pursue a career in English language instruction.

Small interactive classes and instruction from experienced teachers will give students the confidence and knowledge they need to achieve their career goals.

**Please contact us for further information and minimum requirements:**
