Learning Journey

Week	Time	Session	Description
1-2	9:00 am - 3:00 pm	TESOL Foundation	The TESOL Foundation course at IH Career College has been designed to help international students prepare for the IHC TESL course at IH Vancouver. The course provides candidates with a mix of theory and methodology and provides a comprehensive overview of modern TESOL concepts. Classes are small and interactive.
3-6	9:00 am - 5:00 pm	IHC in TESL	The International House Certificate (IHC) in TESL - Teaching English as Second Language is a comprehensive and pragmatic teacher training course appropriate for entry-level and experienced teachers seeking a recognized certification. The course provides candidates with the methodology and hands on teaching experience required to effectively manage an ESL classroom. Graduates from this course will have the necessary competencies to become successful language instructors as well a solid foundation to continue learning and developing as a teacher.
7-8	8:50 pm - 3:20 pm	IHC Certificate for Young Learners Teaching (IHCYL)	The IHCYL prepares teachers to work with Young English language learners. The course covers areas such as L1 and L2 acquisition and learning, Clarifying and Practicing Language, Teaching very young Learners, teaching adolescents, materials design and selection, building phonemic awareness and using phonics for literacy education, promoting grammatical awareness in children, and more. <i>* A 2-week practicum can be chosen as another elective course (you will be asked to notify your tutors at the beginning of IHCYL)</i>
9-10	Varies	Young Learners Practicum	The Young Learners Practicum is a structured and hands-on training experience designed to prepare educators to work effectively with children in the classroom. During this practicum, students have the opportunity to apply and refine their teaching skills specifically tailored to the needs and characteristics of young learners. It involves working with children in real classroom settings, gaining practical experience in lesson planning, classroom management, and adapting teaching materials to engage and motivate young students.
